[About Pressed Sandwiches](#)

Pressed Sandwiches is the first restaurant in Boston to offer a complete menu of hot, 'pressed sandwiches,' including their signature line of Cuban sandwiches. The concept of Pressed Sandwiches came from the shared love of paninis by the eatery's principle partners, Laurence Wintersteen, Andrew Pierce and Jack Schoaf and their desire to introduce them to Boston. Pressed Sandwiches has three locations in downtown Boston including: 2 Oliver Street in the Financial District; 2 Park Lane in the heart of the Seaport District; and the newest location at 85 Bedford Street.
